## EDUCATION

---

2020 – present	<b>Universidad Carlos III de Madrid</b> PhD in Economics. Supervisor: Luigi Minale	Madrid, Spain
Spring 2025	<b>University of British Columbia</b> Visiting PhD Student. Host: Nathan Nunn	Vancouver, Canada
2016 – 2019	<b>Bocconi University</b> MSc in Economic and Social Sciences	Milan, Italy
2013 – 2016	<b>Bocconi University</b> BSc in International Economics, Management and Finance	Milan, Italy
Fall 2015	<b>Erasmus School of Economics</b> Exchange student	Rotterdam, Netherlands

## FIELDS

---

Political Economy, Gender Economics, Economic History

## RESEARCH EXPERIENCE AND OTHER EMPLOYMENT

---

Summer 2022	<b>Bank of Italy</b> Research Assistant	Rome, Italy
2018 – 2020	<b>Bocconi University</b> Research Assistant to Prof. Paola Profeta	Milan, Italy
Summer 2017	<b>Presidency of the Council of Ministers</b> Intern	Rome, Italy

## JOB MARKET PAPER

---

### “Bella Ciao! The Political Legacy of Women in the Italian Resistance”

What happens when women join the fight? This paper studies the Italian Resistance during WWII, when thousands of women took on active roles within clandestine networks. Using a novel microlevel dataset on more than 200 000 Resistance members, I unfold the long-term political effects of female wartime agency. Municipalities with higher female Resistance later fielded more women candidates for national office and showed stronger support for women’s rights, with effects persisting to this day. The results are robust to an instrumental-variable strategy exploiting variation in terrain ruggedness, which increased reliance on local women to sustain Resistance cells. By stepping into roles traditionally reserved for men, these women catalyzed a cultural transformation. The findings shed new light on the roots of gender inequality and on how short-lived upheavals can permanently alter the trajectory of women’s empowerment.

## WORKING PAPERS & IN PROGRESS

---

“Gender Differences in Political Budget Cycles”, with Paola Profeta.

“Local Labour Market Conditions and the Selection into Politics”, with Nicola Mastrorocco and Luigi Minale.

“Education and fertility in Italy after the university access reform in the 1960s”, with Paolo

Piselli.
